Allocation: **Competitive Participation** – Successful participants will receive a confirmation on the first business day following the tender.

Non-Competitive Participation – Where the aggregate amount of bids exceeds the maximum permitted amount (25% of planned issuance), a pro-rata allotment will be made. However, where the aggregate amount of non-competitive bids is less than the maximum permitted amount, the shortfall will be allocated to the competitive portion of the auction.

Initial Public Offerings will no longer prioritize bids for “individual” investors. Instead, the bid allocation process will consider (1) the bid value, (2) the total value of all valid bids, and (3) the total offering amount. The methodology will prorate allocations across all bidders (individuals and institutions). In some cases, when offers are oversubscribed, very low-value bids are less likely to receive allocations.

Grow/Shrink: Each security in this offering has the capacity to grow or shrink based on the total subscriptions received for each tenor. The entire offer also has the capacity to grow or shrink, commensurate with overall demand. The issuer maintains the right to cap the offer at its sole discretion.

Refunds: All refunds will be disbursed within three business days following the settlement date.

Certificates: Successful applicants will receive an electronic copy of their allotments, via email, within three business days following settlement.

New Institutional Investors:

Broker-dealers: New institutional investors may participate through a BISX registered broker-dealer, a list of which may be found at: <https://bisxbahamas.com/broker-dealers/>.
